HOPE 4 KENYA!

Moving Forward!

***HOPE CAN
CHANGE A
LIFE!***

HOPE 4 KENYA, INC (H4K) the US bases 501(C)3 and Hope 4 Kenya Everywhere the registered NGO in Kenya, began 2024 preparing for our first mission team to come in October 2024. The month was spent assuring that all was prepared. This included completing the mission house was ready for visitors. Higher Ground is a safe, excellently located place for mission teams to relax, prepare and respond to local missions through the Nakuru County.

Meetings were held with the local agencies, hotels, safari diver and hotel, as well as the chef and house support. We are pleased to announce that Higher Ground Guest House will be open for the first team in October 2024.

Higher Ground 2024

As we continue to grow, in April we opened the Higher Ground Guest House. This home will host our team of volunteers and be the planning and meeting site of Hope 4 Kenya. We are very excited to host our first team in October of 2024 and look forward to continuing to grow and expand our services throughout the community.
